

Training Agenda

OPEN: Welcome leaders to the training.

PLAY: Play the introductory video provided in your Launch Kit files.

PRAY: Pray that God would use your leaders and this material to help students gain greater understanding of God's Word and what it means for their lives.

INSPIRE: Give a quick overview of how Explore the Bible fits into your discipleship goals for students. Lay out clear expectations for your leaders around preparing to lead and engaging students. Invite them on this journey with you.

PRESENT: Use the provided Power Point™ slides to explain the resources to your leaders.

REVIEW: Review the documents included in their training packet/folder and guide them to dig in on their own time.
