### Focus Attention

To supplement the Begin idea under Focus Attention, after pointing out that many turn to the internet for information, share the list of most asked questions in 2021. Allow individuals to raise their hands if they were one of the ones who asked any of the questions included in the top ten. Complete the step as written, allowing the group to speculate on the driving factors behind a search.

### Summarize and Challenge

To supplement the Review idea under Summarize and Challenge, recall the story about Google’s most searched question. Lead the group to propose internet search phrases that might have been used by the wise men had they had access to the internet. Lead the group to identify any questions that relate to the bulleted points under Apply the Text. Call attention to the session summary statement, explaining that people are searching for Jesus still today. Complete the step as written.
