### **News Story Summary**

Tom Brady is the most celebrated football player in today's game. His quarterback skills have helped his teams win seven Super Bowl games. His seventh championship was a dominating performance against the Kansas City Chiefs with a final score of 31-9. With the win, he now has won more title championship games than any single NFL franchise. Reporters noted that Brady's wife asked him what more he had to prove following the seventh victory.

### **Focus Attention**

To supplement the Begin idea under Focus Attention, share the story of Tom Brady's celebrated Super Bowl wins as people suggest names. Ask the question: *What is it about Tom Brady that makes others want to give him attention and praise that might be described as worship?* Invite learners to share their opinions. Complete the step beginning with the Focus idea.

### **Summarize and Challenge**

To supplement the Review idea under Summarize and Challenge, reconsider the summary story of Tom Brady. Emphasize the question asked by Gisele following the game and that Brady did not answer her question. Lead the group to propose ways Brady could have answered the question of his wife. Change the focus to Jesus entering Jerusalem. Ask: *If that same question would have been asked to Jesus (what more do you have to prove?), how might He had responded as He arrived in Jerusalem?* Complete the step, calling attention to the three statements under Apply the Text.
