

PAUL'S LETTER TO THE EPHESIANS

SALVATION IS A GIFT FROM GOD; WE CANNOT EARN IT.

METAL HELMET

Helmets from the late Roman period were made of metals like **SILVER, GOLD, AND IRON**. Some were even gilded and decorated with **JEWELS AND GEMS!**

This helmet has **CHEEKPIECES** hanging down from both sides. Other helmets might also include nosepieces and neck guards. Each element was **DESIGNED TO PROVIDE ULTIMATE PROTECTION** to the person wearing the helmet.

In the book of **EPHESIANS**, Paul instructs believers to put on the **FULL ARMOR OF GOD** so they can stand against the enemy's schemes. Check out **EPHESIANS 6:17** to learn more about the **HELMET OF SALVATION!**

WHAT IS AN AMBASSADOR?

AN AMBASSADOR IS SOMEONE WHO REPRESENTS ANOTHER PERSON OR THING.

Countries often have ambassadors. These people are high-ranking diplomats, representing their country in other countries. They work together with other countries' ambassadors to protect citizens and promote prosperity and peace. Ambassadors must be strong and respected leaders who communicate well with others.

Paul explained that he was an ambassador of the gospel. He asked the Ephesians to pray that he would be a strong communicator and that he would represent the gospel well.

PUT ON THE ARMOR

Paul told the believers to "put on the full armor of God and be ready to take a stand."

Unscramble the words to fill in the blanks, then draw a line connecting each description to the matching piece of armor. Examine **EPHESIANS 6:10-18** if you need help, then talk with a friend about how each piece of armor helps us know or follow God.
