# PARENTS,

In the fourth chapter of Romans, Paul told about Abraham's faith. Paul reminded the Romans that Abraham trusted God and believed His promises. God was pleased with Abraham's faith.

This week at church, your child heard about Abraham's faith. Children learned that God wants people to love Him and believe Him. When we do that, God's love will be in our hearts.

## PAUL TOLD ABOUT ABRAHAM

Romans 4–5

Paul wanted to help people know about God's love. Paul wanted people to believe that God sent Jesus to help people.

Paul wrote a letter to some church people in Rome. Paul talked about faith and believing what God said.

Paul said, "Look at Abraham. He had faith. God told Abraham He would give Abraham's family many, many children. Abraham trusted God and believed God would keep His promise. That was faith. Abraham praised God because Abraham knew God always keeps His promises."

Paul told the people that God was pleased with Abraham's faith. Paul said, "Believe in God like Abraham did. Trust God. He will give you peace and love in your heart."

## FAMILY ADVENTURE SNUGGLE & READ

Select a Bible story book or a picture Bible to enjoy with your preschooler. Find a cozy spot to sit back and relax. As you read to your baby, introduce names and places in the Bible. Show your child the picture on this card and say: "The Bible tells about people like Abraham. Abraham loved God and believed Him."

## FAMILY ADVENTURE PLAY IN LEAVES

Go outdoors with your toddler to rake fall leaves into a big pile. Hide this card in the leaf pile. As your child plays and jumps in the leaves, he may discover the card. When he finds it, look at the picture and tell about Abraham. Say: "Paul told people to be like Abraham and believe God."

Return indoors and look for Romans 4 in a Bible. Tell the Bible story.
