HEAR IT!

Show your child the picture on this card and share the bullet points above. Help your child know that though the people disobeyed, God still loved them.

FIND IT!

Write the word *Genesis* in large letters on a card. Then give your older preschooler a Bible. Help him find the Bible book name on a page in the Bible.

SAY IT!

Help your child turn to Deuteronomy 5:32 in a Bible. Guide your child to say a simple paraphrase.

Younger Preschooler:

Do as God commands you.

Older Preschooler:

Be careful to do as God has commanded you.
